Winter 2014

November 2014

Hi Everyone,

I hope this letter finds you all well. As we approach Thanksgiving, and the holiday season, I hope that all of you have many things to be thankful for this year!

There are a few things I thought I would share with you. First, it has been an honor for me to be a featured artist in Southwest Art Magazine for their November issue - it was an extra honor to have my painting Elegance selected to be on the cover!

You can read the article from the link on the right.

I have cut down on the number of shows this year to take the time to plan and grow artistically, but still have many beautiful paintings in my galleries. I have really enjoyed the teaching aspect of art in my workshops, and have decided to peruse the idea of making several instructional videos/downloads that cover the different aspects of what I feel is important for the representational figurative artist. These would include aspects such as: how to 'see' as an artist, monochromatic painting, head studies, and longer figurative paintings. I have also been delving into the landscape as of late... but, first things first!

If you are interested in taking a workshop with me in 2015, all the information is listed on the following page. I would hope to see you there - the workshops are a lot of fun... and some learning goes on as well!

Thank you all, and have a wonderful Thanksgiving!

Blessings, - Kevin
